FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: ET Docket No. 98-42;
Amendment of Part 18 of the Commission's Rules
To Update Regulations For RF Lighting Devices

Dear Ms. Salas:

This is to report that on Thursday, January 14, 1999, various representatives of Bluetooth, Harris, Metricom, Symbol, and 3-Com ("Part 15 Interests") met with representatives of Fusion Lighting, Inc. After a lengthy discussion involving technical and policy issues, it was agreed that it would be beneficial for Fusion Lighting to receive additional technical information concerning the operation of Part 15 devices in the 2.4 GHz band. The Part 15 Interests agreed to provide such information. Once Fusion Lighting has an opportunity to review these technical materials, the parties agreed that further discussions would be necessary in order to determine whether a compromise position is possible.

On behalf of the parties mentioned herein, the Commission is respectfully requested to take no action while the parties review technical materials. All of the parties at the meeting support this request and authorized the filing of this letter.

In accordance with Section 1.1206 of the Commission's rules, two copies of this letter are being submitted.
